

REMARKS

The amendment made to the specification is directed at providing the provisional application priority information earlier contained in the Declaration and in the filing receipt for this application.

The amendments made to the claims have been presented for greater consistency of wording although the previous version is submitted to be in full compliance with 35 U.S.C. §112. As the specification was being amended these minor claim revisions have been included as well. No new issues or substantive changes are believed to be presented in these claim revisions and thus entry is respectfully requested.

Also, if any fees are due in connection with the filing of this amendment, such as fees under 37 C.F.R. §§1.16 or 1.17, please charge the fees to Deposit Account 02-4300; Order No. 032405R134.

Respectfully submitted,
